

Family of Parishes Summer Newsletter

Carrigaline, Harbour Parishes, Tracton, Crosshaven

This summer newsletter is especially for visitors to our parish over the weeks of July and August. You are especially welcome to our parish and to our local church. We hope you are having an enjoyable and relaxed break. Our Family of Parishes are made up of the following areas, Carrigaline, Crosshaven, Monkstown, Passage West, Shanbally, Ringaskiddy, Minane Bridge and Nohoval. All these communities and areas are very close to the sea and are all part of our beautiful south Cork. The views, the walks, the different things to do and the beauty of nature all around us here are good for the body and good for the soul too. Enjoy your time with us. Hopefully the 3 R's can work for you, Rest, Recharge and Relax! You are welcome to join us for any of our liturgies and the different times of the Masses are also listed below.
